Dear Ana,

I hope this email finds you well.

Please see attached a letter sent to Councilmember Huizar regarding LAPD resources for Downtown. In light of the growing numbers of people contacting us, and the social media posts regarding violent incidents in Downtown, the HCBID felt compelled to make a formal request to the City for additional LAPD resources. The financial numbers are rough, but a guideline.

Thank you for your attention in this matter -- and we look forward to continuing to work with you to make Downtown Los Angeles a better, cleaner, safer place.

Kind regards,

**Blair Besten**
